

SEND Coffee Morning

My name is Mrs Warner and I have been at Holywell Primary since 2013. In my years here I have taught in KS1 and KS2 as well as being English Lead and KS1 Lead.

This year, I took on the new role of SENCO and have been working on ways to improve communication about SEND in our school. Please look at the SEND Policy and Report on our website for updated information about our Special Education Needs and Disability processes and support.

I would also like to invite any parents or carers of SEND children to an informal coffee morning on

Thursday 24th November 2022 at 9 am.

Mrs Shellard, our Family Liaison Officer, and I will be available to talk about SEND and Well-being in our school. We will also be sharing information about *The Zones of Regulation* we are using to help your children understand their emotions and how to self-regulate.

A meeting like this is a chance to be a support network and talk to each other about shared issues. If you have any concerns about your children and think it would be helpful to meet other parents in this way, please feel free to attend. We look forward to meeting you and sharing a drink and a mince pie or two.
