

# Holywell Kids Club

## What do we offer?

At Holywell Primary School we run a fully inclusive wrap-around care provision which supports all children's holistic development.

This can begin at 07:15 am when all year groups in the school are welcomed into the hall and are offered breakfast to set them up for their morning of learning. The children will then be dismissed from the hall to the playground at 8:30 am and make their way to their classrooms ready for the school day.

Our after-school club offers a wide range of activities, resources, and experiences tailored to meet the individual needs of children in accordance with our play principles. We have full access to indoor and outdoor facilities. After school, children are warmly welcomed on the playground, registered, and then accompanied to the school hall. They enjoy a variety of healthy snacks and drinks along with engaging and relaxing activities. We provide two session options, with pick-up times at 4:30 pm or 6:00 pm.

Our dedicated team of experienced professionals are committed to providing care and support for all children to facilitate their overall development. We are eagerly looking forward to warmly welcoming your child into our nurturing environment.
